8/24/66

Dear Harold:

Our publicity is beginning to roll. How [illegible] any press releases you wish us to use? We are using the back & front of the book (blow ups) also a thumb nail sketch for introducing you.

I have an advance of the N.Y. Times Sunday 8/28/66 Book Two (page 3). The 2 books reviewed are a re-hash of "Whitewash". I like the last two paragraphs in the article.

All this keeps alive the doubt and intrigue & also this sells books. By the way, the day after your 4 hour stint we sold 27 books and it was a very slow ~~Sunday~~ Saturday. Hot & humid and don't forget all our cust. can afford to go away.

Best Regs
